

MARPOSS

RoHS Directive (EU) 2011/65 and Commission Delegated Directive (EU) 2015/863

Statement of Compliance

Marposs products will continue to meet the requirements of all relevant directives, including but not limited to the RoHS Directive recast, where applicable.

Any of Marposs products coming into the RoHS Directive scope for the first time, as a result of

- the inclusion in the recast of product categories 9 or (the new) 11,
- changes to the exclusions, or
- changes to exempted applications,

will meet these new requirements from their due dates, or enable a finished product into which they may be incorporated to do so.

This statement is made according to the best knowledge and understanding of the information available to Marposs.

Marposs will use its reasonable efforts to keep stakeholders informed of any update of this statement.
