

MARPOSS

VOC Directive 2004/42/CE

Statement of Compliance

Directive 2004/42/CE on the limitation of emissions of volatile organic compounds due to the use of organic solvents in certain paints and varnishes and vehicle refinishing products.

Based on our best knowledge, our products are in compliance with the VOC directive.

Marposs will continue to review and evaluate VOC directive requirements for new products and processes as business moves forward.

For additional information contact our Chemicals Compliance Committee at chemicalscompliance@marposs.com
